

## **Bacchus Bishops Stortford achieves 3am terminal hour**

On behalf of long-time clients Breeze Bars Limited, we are delighted to have acted on their successful application for a new premises licence, which has resulted in them achieving extended trading hours so that they are now able to open to a later terminal hour on Fridays and Saturdays than any other licensed premises in Bishops Stortford.

The new licence:

- similarly extends their terminal hour on Christmas Eve, New Year's Eve and Sundays before Bank Holidays and
- enables them to stay open until midnight on other Sundays.

Taking into account:

- the fact that the premises were purpose-built for a late-night business,
- the operational standards maintained at the premises since they opened as Bacchus in 2011 and
- safeguards that were agreed with the Police and the Environmental Health department of the Council prior to the hearing,

we were able to contend that the grant of the licence would serve to positively promote the licensing objectives under the 2003 Act.

Located in Anchor Street, close to Bishops Stortford Railway Station, Bacchus can justifiably claim to be the premier night-spot in the whole of East Hertfordshire. We wish them continued success. Full details can be found on the Bacchus website at <http://www.bacchus-bar.co.uk>
